- Be respectful of each donor's home or place of business, taking care to avoid damage or disruption.
- Navigate routes using Google maps or equivalent GPS on a company device.
- Establish friendly contact with scheduled donors to confirm pickup and give ETA prior to donation pickups; demonstrate excellent interpersonal skills while interacting with donors, thanking them for their donation and providing them with written donation receipts at the time of pickup.
- Screen items for quality and functionality; diplomatically decline some unsuitable items.
- Support ReStore sales staff in coordinating the flow of donations through the dock, processing area and sales floor; and assist in keeping the dock and receiving area clean and organized.
- Operate a forklift as needed after receiving OSHA forklift certification (training provided onsite at the ReStore).
- Maintain all USDOT-required documentation, including daily driver logs, vehicle inspection checklists, and receipt records.
- Occasionally lead/supervise volunteers of all ages and abilities to accomplish ReStore goals.
- Always have a positive attitude in daily interactions with coworkers, volunteers, and donors, keeping in mind the ReStore's brand and Habitat for Humanity's reputation across the Gulf Coast.
- Give clear and friendly feedback to donors/customers who have questions or comments about the ReStore operation or Habitat for Humanity in general.
- Other duties as required by business needs and requested by the ReStore Manager or ReStore Director (e.g., "all hands-on deck" events such as annual inventory count, etc.).

**Minimum Requirements:**

- High school diploma or GED certification.
- Valid current driver's license and maintain a safe driving record.
- Minimum age 21.
- Ability to meet and comply with all USDOT regulations regarding interstate travel.
- Pass DOT physical as performed by medical professional listed in the National Registry.
